**INTERNATIONAL DAY AGAINST DRUG ABUSE & ILLICIT TRAFFICKING  
CANCER AWARENESS CAPPAIGN REPORT**

Date : 24.06.2022

Drug abuse is connected to many health issues, such as lung or heart disease, mental health conditions, lowered immune systems, and cancer. The Report by American Cancer Society, substance abuse and addiction make up about 30% of all cancer deaths. Tobacco, is the cause of 80% of all lung cancer deaths. And also, alcohol consumption can lead to various types of cancer, with most being a form of oral, liver, and colon cancer. In addition, illicit drugs such as Cocaine and Heroin often get mixed with cancer-causing cutting agents.

Our students and faculty members attended the Cancer awareness campaign, conducted by Cancer Institute (WIA), Adayar, Chennai on 24.06.2022 between 1.30 pm to 3.30 pm as a part of International Day Against Drug Abuse & Illicit Trafficking (26.06.2022). This was organised by Melmaruvathur Adhiparasakthi Institute of Medical Sciences and Research, Melmaruvathur. In this program, the awareness was created about symptoms of cancer (sore - does not heal, unusual bleeding or discharge from any body opening, thickening or lump in breast or elsewhere in the body, persistent indigestion or difficulty in swallowing, change in bowel habits, obvious change in wart or mole, persistent cough or hoarseness of voice etc), the causes of cancer (Tobacco, viral infections, chemical and radiation exposure, occupational exposures like asbestos, dyeing industries, genetic inheritance) and preventive measures of cancer (stopping tobacco use, protection against viral infections, healthy lifestyle behaviour, and safe occupational health practices etc, hereditary factors such as natural exposure to radiation) were explained. The factors of breast cancer (early puberty, late menopause, delayed first child birth, having no/a smaller number of children, obesity, hormone replacement therapy etc) and the measures to reduce the breast cancer (Breast feeding, healthy diet and physical activity) were also described. The practical procedure to find out breast cancer was demonstrated to students by the faculty from Cancer Institute.

All the Students and faculty members were benefited by the awareness program.

**'Har Ghar Tiranga' campaign Report**

The Faculty and Student of Adhiparasakthi College of Pharmacy participated in 'Har Ghar Tiranga' campaign under the guidance of Azadi Ka Amrit Mahotsav. This encouraged people to bring the Tiranga home, hoist it to mark the 75th year of India's independence, invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. Around 120 students participated in the campaign. And sapling was also done to keep the environment green.
